### Increase your reading time:

All ages are welcome to join in at  
3 pm on Wednesday, July 19 at the  
library for "silent" reading time—  
everyone will receive a prize!

# early literacy classes at Lodi Public Library

## Shake, Rattle & Roll, Baby

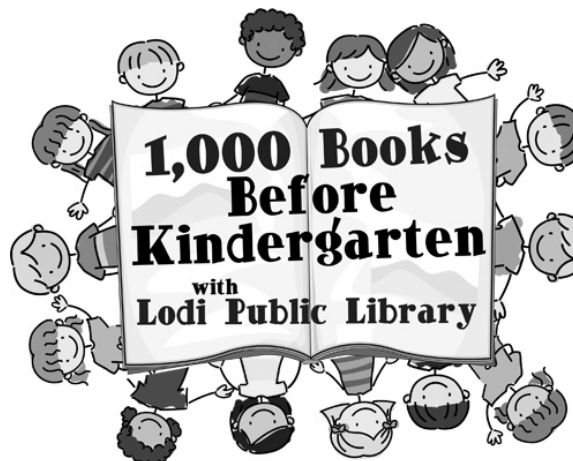

Wednesdays 9:30 am • babies

Baby music class - babies and their caregivers sing, play and build the skills needed for eventual reading success.

## Family Storytime

Wednesdays 10 am • all ages

Make the library a habit—join friends, sing, play, write, read, and interact with books.

Snuggling and sharing a book with your child is not only the best part of the day - it's exactly what this program is all about!

This early-literacy initiative is a way the library can help parents celebrate the milestones in their child's growth and get kids ready for learning.

Enroll anytime and the program has a flexible end-date: kindergarten. *Sign up at the library!*

Join us for an afternoon at the  
**Lodi Valley  
Farmers Market**

**Friday, June 9**  
**2 pm to 6 pm**
