

SUMMER LIBRARY PROGRAM 2021

Summer Timeline - Monday, May 24 – Friday, August 20

Registration

Starting Monday, May 24, register in-person or online at lodipubliclibrary.org. Stop in to pick up your Summer Library Program folder and reading slips. Count your reading from Monday, May 24 onward.

Age Groups

- Kids are ages 0 to Grade 5.
- Teens are Grade 6 to Grade 12.
- Adults are 18 and older, post-high school.

Reach Your Age Group's Goal

Once you reach your age group's goal, come to the library to choose a book from our vault of brand new prize books. You control your destiny.

- **Kids:** Your goal is 10 hours
- **Teens:** Your goal is 1,000 pages
- **Adults:** Your goal is 3 books

The More You Read, the Better Your Chances

We have a large collection of additional prizes. We'll pull from the reading slips that are turned in throughout the entire summer program to decide the winners. The more you read, the better your chances of winning a cool prize, including book series, LEGO kits, snap circuit kits, board games, and more. All winners will be notified on Monday, August 23rd if they've won. All winners will choose which prize they want at the library.

Reading Slips

All reading slips are available at the library and turned in for a chance to win additional prizes. Take as many as you think you'll need and replenish as necessary. Audiobooks count. Deadline to turn in slips is Friday, August 20.

- Kids turn in a reading slip for every hour they read (or are read to).
- Teens turn in a reading slip for every 100 pages they read.
- Adults turn in a reading slip for every book they read.

Summer Bucket List Challenges

Kids, Teens, and Adults all have an opportunity to complete a Summer Bucket List Challenge tailored to their age group! Kids and Teens earn a prize from our prize cart for every 12 challenges they complete. These are smaller prizes like candy, Rubik's Cubes, Slinkies, invisible ink pens, etc. Adults win a "Duck Town" pint glass if they complete 36 of the 50 challenges. All ages can complete their challenges right away or spread them out across the summer.

Virtual Program via Beanstack

If you'd prefer to do the summer program virtually, please stop at the library for more info or visit our website at lodipubliclibrary.org.
